Busy Bugdlie

What a wonderful, busy week.
Shannon from Maari Ma came to visit with pears. The children loved the pears so much that Shannon didn’t have any left overs this week.

We also had Mr Bonsing and Michael come to extend last week’s conversation about the different safe people we can talk to when we need help. We talked of rainbows and storm clouds in the belly as metaphors for happy and sad feelings that help us identify when we need help. They then took us for structured play with physical activity equipment. This week was focused on balancing. The children used bean bags, long skinny beams and our logs to refine this skill.

Kathryn, our Student Teacher, has developed a number of beautiful experiences for the children that have been placed in the environment. Her sparkly play dough, decorated fairy ring and baskets of miniature resources that were added to the sandpit, have inspired the children to be extra creative and heavily involved in some beautiful dramatic play.

We have had a number of child initiated conversations with regards to sustainability this week. There have been comments on both recycling and being water wise. To extend, this coming week we will focus on these concepts. Please encourage these conversations in the home to support their learning at Bugdlie.

To do

• Please dress your child in Pyjamas on Monday 27th May and bring a donation for our Reconciliation Week cooking fund.
• We are collecting Woolworths earn and learn stickers. Please think of us when you go shopping and bring in completed sticker sheets.
• If you have not done so already, could you please take a moment to fill in the “My Family” questionnaire with your child and then bring it back to school.
