Welcome Back!!

The Worker fairy has certainly been busy at Bugdlie over the holidays. As I’m sure you have noticed there have been many, many changes. We have a new floor, Bugdlie is “back to front” and we have a brand new routine. Watch out for many more changes that are approaching. The worker fairy has been busy building us some new furniture and it should be arriving over the next few days. It is an exciting time for Bugdlie and we appreciate your flexibility while these changes are implemented.

NAIDOC Celebrations have moved forward to THIS WEEK.

We want to extend a warm invitation to all families to join us this week while we celebrate NAIDOC week. If you have anything you can share such as a cooking recipe, time to tell a story, talent on the didgeridoo or years of experience, we would value your input into the program!

We also want to invite families to join us at Alma this Friday 25th July. Pre-School will be at Alma all day. All Families from both groups are invited and encouraged to join in on our full day of celebrations.

Students will participate in several different activities. These include storytelling, art, games, craft and healthy food.

There will be a free sausage sizzle and a continuous morning tea on the day.

We will have our own Early Childhood space set up as our home base for the day.

Pre-School through to Pre-Kinder are requested to wear yellow on Friday.

To do

• To reduce our waste we are going to start implementing “NUDE FOOD”. Please start to think of creative ways to pack healthy fresh food with no throw away wrapping.

• Please also understand that any “sometimes foods” will now be sent home. If you feel like your child might go hungry please pack extra everyday foods.

• Thank you for your understanding of Pre-School operating times. We are open from 8.45am each day and also at 12.15 on Wednesdays.

Just a reminder that we are trying to be a NUT FREE ZONE
