What a week full of fun and fantasy! This week the children have been on a fantastic journey into the world of books. We have closely explored fiction books in particular. We have read stories of mermaids and castles, kings and queens, witches and pirates. The children have used their imaginations to design pictures in their minds as they listen carefully to the words in each story. We explored creative ways to illustrate different books and constructively wrote our own fantasy story.

Our Castle play area was a success with many children enjoying the fantasy of living in the castle or making sure it was protected from the evil goblin. Wednesday at Alma was a lot of fun. It was great to see so many magnificent costumes. The costumes certainly brought out the dramatic artist in many of our children. Thank you to all of the parents who joined us for the day. It was amazing to have so much support for the event.

Special Events
- Footy colours dress up day Friday, 5th September.
- Friday 9th September is the P-2 Athletics carnival at Alma

Just a reminder
No lunch orders for Bugdlie at the canteen on Wednesdays. Please pack something to eat and a water bottle. Snack money is ok, but must be given to staff in the morning to ensure every child has something to eat and drink during eating time.

Book Week Celebrations

To do
- To reduce our waste we are still trying to implement “NUDE FOOD”. Please start to think of creative ways to pack healthy fresh food with no throw away wrapping.
- Please also understand that any “sometimes foods” are still being sent home. If you feel like your child might go hungry please pack extra everyday foods. Thank you to those who have already made some impressive changes to what is packed in their child’s lunch box.
